

plant with respect to a grader's decision or on any other matter related to grading in the official plant.

**§ 56.61 Where to file an appeal.**

(a) *Appeal from resident grader's grading or decision in an official plant.* Any interested party who is not satisfied with the determination of the class, quality, quantity, or condition of product which was graded by a grader in an official plant and has not left such plant, and the operator of any official plant who is not satisfied with a decision by a grader on any other matter related to grading in such plant may request an appeal grading or review of the decision by the grader by filing such request with the grader's immediate supervisor.

(b) *All other appeal requests.* Any interested party who is not satisfied with the class, quality, quantity, or condition of product which has left the official plant where it was graded or which was graded other than in an official plant may request an appeal grading by filing such request in the area where the product is located or with the Chief of the Grading Branch.

**§ 56.62 How to file an appeal.**

Any request for an appeal grading or review of a grader's decision may be made orally or in writing. If made orally, written confirmation may be required. The applicant shall clearly state the reasons for requesting the appeal service and a description of the product, or the decision which is questioned. If such appeal request is based on the results stated on an official certificate, the original and all available copies of the certificate shall be returned to the appeal grader assigned to make the appeal grading.

**§ 56.63 When an application for an appeal grading may be refused.**

When it appears to the official with whom an appeal request is filed that the reasons given in the request are frivolous or not substantial, or that the quality or condition of the product has undergone a material change since the original grading, or that the original lot has changed in some manner, or the Act or the regulations in this part have not been complied with, the appli-

cant's request for the appeal grading may be refused. In such case, the applicant shall be promptly notified of the reason(s) for such refusal.

**§ 56.64 Who shall perform the appeal.**

(a) An appeal grading or review of a decision requested under § 56.61(a) shall be made by the grader's immediate supervisor, or by a licensed grader assigned by the immediate supervisor other than the grader whose grading or decision is being appealed.

(b) Appeal gradings requested under § 56.61(b) shall be performed by a grader other than the grader who originally graded the product.

(c) Whenever practical, an appeal grading shall be conducted jointly by two graders. The assignment of the grader(s) who will make the appeal grading requested under § 56.61(b) shall be made by the regional director or the Chief of the Grading Branch.

**§ 56.65 Procedures for appeal gradings.**

(a) When all of the originally graded and identified samples are available, the appeal sample shall consist of such samples plus an equal number of samples.

(b) When the original samples are not available or have undergone a material change, the appeal sample size for the lot shall consist of double the samples required in § 56.4(b).

(c) Shell eggs shall not have been moved from the original place of grading and must have been maintained under adequate refrigeration and humidity conditions.

**§ 56.66 Appeal grading certificates.**

Immediately after an appeal grading is completed, an appeal certificate shall be issued to show that the original grading was sustained or was not sustained. Such certificate shall supersede any previously issued certificate

for the product involved and shall clearly identify the number and date of the superseded certificate. The issuance of the appeal certificate may be withheld until any previously issued certificate and all copies have been returned when such action is deemed necessary to protect the interest of the Government. When the appeal grader assigns a different grade to the lot, the existing grade mark shall be changed or obliterated as necessary. When the appeal grader assigns a different class or quantity designation to the lot, the labeling shall be corrected.

#### FACILITY REQUIREMENTS

##### **§ 56.75 Applicability of facility and operating requirements.**

The provisions of § 56.76 shall be applicable to any grading service that is provided on a resident or temporary basis.

[69 FR 76376, Dec. 21, 2004]

##### **§ 56.76 Minimum facility and operating requirements for shell egg grading and packing plants.**

(a) Applicants must comply with all applicable Federal, State and local government occupational safety and health regulations.

(b) *General requirements for premises, buildings and plant facilities.* (1) The outside premises shall be free from refuse, rubbish, waste, unused equipment, and other materials and conditions which constitute a source of odors or a harbor for insects, rodents, and other vermin.

(2) The outside premises adjacent to grading, packing, cooler, and storage rooms must be properly graded and well drained to prevent conditions that may constitute a source of odors or propagate insects or rodents.

(3) Buildings shall be of sound construction so as to prevent, insofar as practicable, the entrance or harboring of vermin.

(4) Grading and packing rooms shall be of sufficient size to permit installation of necessary equipment and conduct grading and packing in a sanitary manner. These rooms shall be kept reasonably clean during grading and packing operations and shall be thoroughly

cleaned at the end of each operating day.

(5) The floors, walls, ceilings, partitions, and other parts of the grading and packing rooms including benches and platforms shall be constructed of materials that are readily cleanable, maintained in a sanitary condition, and impervious to moisture in areas exposed to cleaning solutions or moist conditions. The floors shall be constructed as to provide proper drainage.

(6) Adequate toilet accommodations which are conveniently located and separated from the grading and packing rooms are to be provided. Handwashing facilities shall be provided with hot and cold running water, an acceptable handwashing detergent, and a sanitary method for drying hands. Toilet rooms shall be ventilated to the outside of the building and be maintained in a clean and sanitary condition. Signs shall be posted in the toilet rooms instructing employees to wash their hands before returning to work. In new or remodeled construction, toilet rooms shall be located in areas that do not open directly into processing rooms.

(7) A separate refuse room or a designated area for the accumulation of trash must be provided in plants which do not have a system for the daily removal or destruction of such trash.

(8) Adequate packing and packaging storage areas are to be provided that protect packaging materials and are dry and maintained in a clean and sanitary condition.

(c) *Grading and packing room requirements.* (1) The egg grading or candling area shall be adequately darkened to make possible the accurate quality determination of the candled appearance of eggs. There shall be no other light source or reflection of light that interfere with, or prohibit the accurate quality determination of eggs in the grading or candling areas.

(2) The grading and candling equipment shall provide adequate light to facilitate quality determinations. When needed, other light sources and equipment or facilities shall be provided to permit the detection and removal of stained and dirty eggs or other undergrade eggs.
